For Immediate Release

February 14, 2018

THREE ALARM STRUCTURE FIRE CONTAINED

CORONA, CA– On Feb. 13, 2018 at approximately 10:58 p.m., a commercial structure fire occurred at 130 Industrial Way in Corona. The initial call was reported as a tree fire and upgraded to a full structure fire response by the first arriving engine company.

The building included three suites and the fire was contained to the end suite with minor damage to the middle suite, and no damage to the third suite on the opposite end.

34 Corona Firefighters responded to the incident with six engines, one paramedic unit, and one squad, as well as two engines and one truck from Riverside County Fire.

The fire escalated to a two-alarm and finally a three-alarm structure fire before it was contained after approximately 45 minutes of firefighting under the direction of Incident Commander Battalion Chief Robert Peterson.

The fire caused no injuries to civilians and one minor firefighter injury. The cause of the fire is still under investigation. If you have any information regarding the incident please contact Battalion Chief Robert Peterson at Robert.Peterson@CoronaCA.gov.

About the City of Corona: Corona is located adjacent to Orange County California at the junction of the 91 and 15 freeways with a population of more than 160,000 residents. For more information regarding the City of Corona visit www.CoronaCA.gov.
